My stars
So far
No one's callin me home
Space brain
Vagabond
Living on my own

Come on you faithful
You know all you people should come to me
I'll make you arms work
And I'll make your legs work
I'll make you see
Ladada dadada dadada da da
Whoa, yeah

Well I swear by the air
I'll be made to breathe
You'll pay very dear for this banishing deed
The power alone stored in my little hand
Could melt the Eiffel Tower
Turn the Sphinx into sand

Oh no
Thar she blows

Spreadin crazy news
All night
Cannonball
Loves to light the fuse

And everyone blows up
And nobody grows up to fill Dad's shoes
But that doesn't matter
Cuz no little boys really wanted to

Ladada dadada dadada da da
Whoa, yeah

I stared at the squall line
I stared at the fault line
I see a funnel black there
I think I see a crack there

Landscapes alive
And it's moving my feet
All I need's a Holocaust
To make my day complete
