Hello, my little pretty  
My, don't we look YUK  
Come here!

You spend all day picking out your dress  
I like you dirty when your hair is a mess  
You smell so sweet walking in the room  
You don't have to try so hard to drown me in perfume

Don't cry your heart out  
Don't tell your preacher  
Don't get ideas, this won't last forever  
Just want to touch you  
Just want to feel you  
Just want to taste you  
I never wanted, I never wanted love before  
I never wanted, I never wanted love before

Not that kind of love  
Not that kind of love  
No, it's not that kind of love  
It's not that kind of love  
No, it's not that kind of love  
I don't want know your Dad or Mom  
I won't be calling you to go to the prom  
If you want to go, some cheap motel  
You can pick me up at eight, I'll never tell

Don't cry your heart out  
Don't tell your preacher  
Don't get ideas, this won't last forever  
Just want to touch you  
Just want to feel you  
Just want to taste you  
I never wanted, I never wanted love before  
I never wanted, I never wanted love before

Not that kind of love, not that kind of love  
Not that kind of love, not that kind of love  
No, no, not that kind of love  
Not that kind of love, not that kind of love
