He's got the power,
Oh, she's got the need,
She spends her life
Through pleasing up her man.
She feeds him dinner
Or anything she can.
She cries alone at night too often.
He smokes and drinks
And don't come home at all.
Only women bleed....
Man makes your hair grey.
He's your life's mistake.
All you're really looking for
Is an even break.
He lies right at you.
You now hate this game.
He slaps you once in a while
And you live and love in pain.
(Repeat 2nd verse)
Black eyes all of the time,
Don't spend a dime,
Clean up this grime,
And you there down on your knees
Begging me please come watch my bleed
Only women bleed.....
