Sonny wakes up in the morning feeling kinda sick
Needs a little Stoli Vodka, needs it really quick
Sees a little blood run from his eyes
Feels a little hotel paralyzed

Pass the gun around
Give everyone a shot...give everyone a shot, you gotta
Pass the gun around
And throw me in the local river, let me float away

I wake up watching cartoons...the television's on
There's a couple of party balloons and all my money's
gone
She was just a reason to unwind
And actually the last thing I could find

Why don't you, pass the gun around
Give everyone a shot...give everyone a shot, you better
Pass the gun around
And dump me in the local river, let me float away
float away, ah float away

Pass the gun around
Give everyone a shot...give everyone a shot, why don't
you
Pass the gun around

Throw me in the local river, let me float away

Sonny wakes up in the morning, there's a stranger in
his bed
Someone's pounding on the hotel door, he wishes he
was dead
I've had so many blackout nights before
I don't think I can take this anymore

Why don't you, pass the gun around
Give everyone a shot...give everyone a shot, why don't
you
Pass the gun around
Give everyone a shot...give everyone a shot, we're
gonna

Pass the gun around

Give everyone a shot...give everyone a shot, we're
gonna

Pass the gun around

Give everyone a shot...give everyone a shot, you gotta

Pass the gun around

Give everyone a shot...give everyone a shot, you gotta

Pass the gun around

Give everyone a shot...give everyone a shot, you gotta

Pass the gun around
