What if I'm wrong,
I've been deceived all along
What if I'm wrong

What have I done
Did I waste a life just for fun
What have I done

What did I do
I did what voices told me to
What did I do

Where will I go
Will I sink through fire down below
Where will I go

Any chance of salvation
Any chance for me
Any chance of salvation for eternity
Any chance of salvation
Someone died for me
Washed in blood he cared enough to pity me

Why do I care
What's wrong with me, my hate is gone
Why do I care

When did I change
What's different now, it's very strange
When did I change

Any chance of salvation
Any chance for me

Any chance of salvation for eternity
Any chance of salvation
Someone died for me
Washed in blood he cared enough to pity me

In my heart
In my soul
Something's new, that's very old

Like a pain that's finally gone
I feel my heavy burden lifted

Any chance of salvation
Any chance for me
Any chance of salvation

Any chance of salvation
Any chance for me
Any chance of salvation for eternity
Any chance of salvation
Any chance for me
Any chance of salvation for eternity
Any chance of salvation
Any chance for me
Any chance of salvation for eternity
