Your world full of creeps
Zombies walk the street
9 to 5 barely alive
Have a beer go to sleep
And start all over again

Same gray suit
Same round shoes
Same headache
Same pills
He goes home thinks about suicide
But he's got his diploma
Got to give him that

I got a radical place
Got my own private space
It's my sanctuary
It's the castle of doom
I'm the king of my room
Just a Quasimodo
Let the world blow away
This is where I will stay
In my sanctuary
Got my mess on the floor
Got my lock on my door

Go Away
Sanctuary
Go Away
Sanctuary

Someday I gotta get outta here
Gotta put on a shirt put on a tie
Get a job buy a car get some insurance
Cuz I'll probably have a heart attack
Before I'm 40

I guess I'll find the perfect wife
And I'll have 2.3 perfect kids
And if I work real hard
And die real fast
They'll all turn out just like me

I got a radical place
Got my own private space
It's my sanctuary
It's the castle of doom
I'm the king of my room
Just a Quasimodo
Let the world blow away
This is where I will stay
In my sanctuary
Got my mess on the floor
Got my lock on my door

Go Away
Sanctuary
Go Away
Sanctuary
Go Away
Sanctuary
Go Away
Sanctuary
Go Away
Sanctuary
Go Away

I got a radical place
Got my own private space
It's my sanctuary
It's the castle of doom
I'm the king of my room
Just a Quasimodo
Let the world blow away
This is where I will stay
In my sanctuary
Got my mess on the floor
Got my lock on my door

Go Away
Sanctuary
Go Away
Sanctuary
Go Away
Sanctuary
Go Away
Sanctuary
