Somebody better shake you
Somebody better turn your head around
I'm scratching like a wild cat
I'm spittin fire on the ground

You got my venom running through ya
Ain't gonna let you run off wild

{Chorus}:
I'm Snakebite
I'm your only man
Snakebite is your lover
You'll never hide, baby understand
Snakebite drags you under
I'm Snakebite
They call me Snakebite

Nobody gonna take you
Nobody gonna touch your rebel skin

I'll break 'em like a matchstick
'Cause baby
That's the kind of mood I'm in

My face is tattooed on your shoulder
Your name is scratched
Into my bike, yeah

{Chorus}

You got my venom running through ya
If you're gonna run
Go running scared
I'm right behind ya

{Chorus}
