Scarlet wants to hold me
Wearing just a red veiled hat
Sheba's in the shadows
Waiting for her turn at bat

In the parlor where the lights are low
A vulture sister act, I watch their show
They're trying to kill me, wanna pick my bones
Methodically, erotically

I just want your body, Sheba
I don't want your brain
Scarlet gets what's left of my remains

I just want your body, Sheba
You lock me up in chains
Scarlet, she can referee the game

Scarlet likes to scold me
Showers me with all her love
Sheba's in a bad mood
Sharpening her black fur glove

With blood and honey attitude
They'll never know my gratitude
I'm crossed with longitude and latitude
Upon my back with a crack

I just want your body, Sheba
I don't want your brain
Scarlet gets what's left of my remains

I just want your body, Sheba
You lock me up in chains
Scarlet, she can referee the game

I just want your body, Sheba
I don't want your brain
Scarlet gets what's left of my remains

I just want your body, Sheba
You lock me up in chains

Scarlet, she can referee the game
