Hey you!
Fighting for your life where you've never fought before
Hey you!
Running from the scene and nailing down your door
Oh yeah!
Back 'em off, brother
Oh yeah!
Terminate the mother now
You know you gotta get hard

The world needs guts
The world needs power
Show me some blood
Show me some cuts
Show me some scars
The world needs guts
The world needs us

Hey you!
Crying 'cause your best friend's splattered against the
wall
Hey you!
Some maniac butcher's tryin' to hack away your balls
Oh yeah!
Back 'em off, brother
Oh yeah!
Terminate the mother now
You know you gotta get hard

The world needs guts
The world needs power
Show me some blood
Show me some cuts
Show me some scars
The world needs guts
The world needs us...us...

Hey, hey, what's in your eyes? I think I'm getting
through

Say, say that you despise the things they did to you
Pray, pray some day their throats are in your hands

Take them, shake them 'til they understand

Hey you!

You gonna let some scumbag stab you in the back

Hey you!

Turn around kicking and rearrange your sack

Oh yeah!

Back 'em off, brother

Oh yeah!

Terminate the mother now

You know you gotta get hard

The world needs guts

yeah we needs more power

Show me some blood

Show me some cuts

Show me some scars

The world needs guts

The world needs us

yeah we needs more power

Show me some blood

Show me some cuts

Show me some scars

The world needs us

The world needs guts

yeah we needs more power

Show me some blood

Show me some cuts

Show me some scars

Show me some guts

The world needs us
