From the start of life  
To my dying day  
In the dark of night  
And the burning light of day  
It's a bloody fight  
But I can't walk away  
I'm prime for the front line

Unholy war, unholy war  
I'll try, I'll fight until I die  
Unholy  
Unholy war, unholy war  
I see, I know you'll always be  
Unholy

You see my burning fuse  
From a mile away  
I took your cruel abuse  
Lord took away my shame  
I learned to bite the hand  
That used to pull my chain  
We'll fight 'cause we ain't on the same side

We're in an unholy war, unholy war  
I'll try, yeah, I'll fight until I die  
Unholy

When I'm all alone  
Unholy  
With your thoughts of pain  
Unholy  
I can break on through  
Unholy  
With just an ounce of faith  
Unholy

Unholy  
Unholy  
Unholy  
Unholy

You're shaking in your boots

Because it's Judgement Day  
I'll get my just rewards  
And you'll have your hell to pay  
There's no time to throw out the lifeline

Unholy war, unholy war  
I'll try, yeah, I'll fight until I die  
Unholy  
Unholy war, unholy war  
I see, I know, you'll always be  
Unholy

Unholy
