I bought you a postcard, thought it would be funny
Would have sent a souvenir, they took all my money
It's pretty warm down here but it ain't sunny

And I'm having a hell of a time, my dear
Wish you were here
And I'm having a hell of a time, my dear
Wish you were here

I tried to call you, I tried to call you
Long distance operators that only stall you
Besides the damn rates are so high, they just appall
you

And I'm having a hell of a time, my dear
Wish you were here
I'm having a hell of a time, my dear
Wish you were here

Started out a nice vacation
Left the station right on time
Now it's turned to near frustration
I'm just a prisoner in time

Can't get a ticket to get me home, my dear
They just don't have too many flights from twilight
zone, dear
So don't forget to feed my cats, Spot and Jerome, dear

And I'm having a hell of a time, my dear
Wish you were here
Having a hell of a time, my dear
Wish you were here

Having a hell of a time, my dear
Wish you were here

Seeing all the sights here, I'm getting lonely
I'd show you all the film I took if they would only
Let me go home dear, sincerely

I'm having a hell of a time, my dear

Wish you were here
Having a hell of a time, my dear
Wish you were here

Having a hell of a time, my dear
Wish you were here
Having a hell of a time, my dear
Wish you were here

Having a hell of a time, my dear
Wish you were here
Having a hell of a time, my dear
Wish you were here
