We like to throw our bodies around
We like to feel each other
We're all slaves when we hear that sound

Says dance, says dance
Says ya gotta dance
Says dance
And there ain't no two ways about it

We're all compelled to rise and thrust
When we all move together
We're all hypnotized by savage lust

Says dance, says dance
Says ya gotta dance
Says dance

I'm so hot it makes me shiver
Makes me wet, makes me slide
It's some spirit I'm possessed by
I can't stop
We just got to dance, dance, dance

We gotta blow when he says blow it
And we gotta shake and shimmy
We got the strings tied to our soul

Says dance, says dance
Says we gotta dance
Says dance
And I don't mean tomorrow

I'm so hot it makes me shiver
Makes me wet, makes me slide
It's some spirit I'm possessed by
I can't stop
We just got to dance, dance, dance
Dance, dance, dance
