(Alice Cooper, Rick Boston, Ryan Roxie)

Walkin' through the tombstones  
Go there everyday  
Stood damn still I got a chill  
Someone walked across my grave

Stroll across the killing fields  
In the middle of the night  
Walked across the fire  
In the cold moon light

Black cat crossed my pathway  
Winks her juju eye  
Cross myself and kiss this world goodbye

Nights alive with music  
Puts me in a trance  
Sneak up on the bonfire  
Watch the zombies dance

My tongue is hot and burnin'  
When I try to speak  
Spirit is so willing  
My flesh is gettin' weak  
Yeah, it's gettin' weak

Now I ain't superstitious  
Don't roll no juju bones  
Someone calls in the middle of the night  
And no one's on the phone

Black cat crossed my pathway  
Winks her juju eye  
I crossed myself and kiss this world goodbye  
I ain't superstitious  
Don't roll no voodoo bones  
Someone calls in the middle of the night  
No ones on the phone

Nights alive with music  
Nights alive with music
