Thought you asked for something better
You should know I practiced that goodbye
Are you so deprived
Think you're doing me a favour
I don't need no lesser savior, alright
Doin fine

Fragile things so close together
Taped up, broken from the fall
Part of something
All of nothing
Very long high way to fall

Go then, if you don't feel right
Livin' in our home
Coking, eat your pride
Eat your pride alone
X2

Need less tension,
The walls around you
Built before you came to tear them down
It was you I found
Take some time to think it over
If it's so hard to walk this world, we might
Then it's time to say goodbye

Fragile things so close together
Taped up, broken from the fall
Part of something
All of nothing
Very long high way to fall

Go then, if you don't feel right
Livin' in our home
Coking, eat your pride
Eat your pride alone
X2

(Solo)

So go then, if you don't feel right
Livin' in our home
Choking, eat your pride
Eat your pride alone
If you don't feel right
Livin in our home
Eat your pride alone
