I could climb until I reach where angels reside
Ask around to find out where the junkies applied
You just up and left me on this rock all alone
It's my fault for knowing not what I should have known

Ohhhhhhhh
My heart is dried up, beating slow
Ohhhhhh
It's been deflating since you ... died
Died
Since you ... died
You ... died

I could drop until I touch the sinister side
Visit all attractions flippin' back and aside
Still you leave me rotting on this rock all alone
It's my fault for knowing not what I should have known

Ohhhhhhhh
My heart is dried up, beating slow

Ohhhhhh
It's been deflating since you ... died
Died
Since you ... died
You ... died

Ohhhhhhhh
My heart is dried up, beating slow
Ohhhhhh
It's been deflating since you ... died
Died
Since you ... died
You ... died

I could climb until I reach where angels reside
I could drop until I touch the sinister side

Ohhhhhhhh
My heart is dried up, beating slow
Ohhhhhh
It's been deflating since you ... died

Died
Since you ... died
You ... died
Died
You ... died
Died
You ... died
