"Harry! Take the garbage out!"

"Yes, poopsie."

(Fat girls)

Ooo, can be so much fun

Their mouths are motors

(What a girl)

So let their motors run!

After they have eaten you

Out of house and home

Strip down to your birthday suit

And let them (halves?) explode!

Can't to back in their cake too much

With only goes out for an occasional where to put!

Can't to back in their cake too much

Ooo, they're never gonna stop!

(What a girl)

Fat girls

(Yum)

(What a girl) Woo

Fat girls can be so much fun!

When you're done and satisfied

You must throw them out

Never have to say, for sure

(Gross?) them out

Feeding my special ladies

Have but one thing to gain

They want to have your babies

They want you ball and chain

They clean to back and they clean too much

With only goes out for an occasional where to put! (?)

They clean to back and they clean too much

Ooo, they're never gonna stop!

(What a girl)

Fat girls

(Yum)
(What a girl) Woo
Fat girls, Oooouhhh

OoooOh!
