## "Hate To Feel"

Visit "[Hate To Feel](#)" on [MotoLyrics.com](#)

What's gone wrong, I can't see straight  
Been too long, so full of hate

What the fuck will it take?  
Drown myself in my wake  
Another shaggy D.A.  
Now a dog, shake my leg

Plastic man, paper face  
Candy heart, what a waste  
Gotta change, set a date  
Eat my cake, lick my plate

Stare at me with empty eyes  
And point your words at me  
Mirror on the wall will show you  
What you're scared to see

I can see, yeah  
(Wish I couldn't see at all)  
I can feel  
(Wish I couldn't feel at all)  
Hate to see  
(Wish I couldn't see at all)  
Hate to feel  
(Wish I couldn't feel at all)

So climb walls, thin my blood now  
And I crawl, back to bed now

What the hell, gotta rest  
Aching pain in my chest  
Lucky me, now I'm set  
Little bug for a pet

New Orleans, gotta get  
Pin cushion medicine  
Used to be curious  
Now the shit's sustenance

All this time I swore I'd never  
Be like my old man

What the hey, it's time to face  
Exactly what I am

I can see, yeah  
(Wish I couldn't see at all)  
I can feel  
(Wish I couldn't feel at all)  
Hate to see  
(Wish I couldn't see at all)  
Hate to feel  
(Wish I couldn't feel at all)

What the hell, gotta rest  
Aching pain in my chest  
Lucky me, now I'm set  
Little bug for a pet

New Orleans, gotta get  
Pin cushion medicine  
Used to be curious  
Now the shit's sustenance

All this time I swore I'd never  
Be like my old man  
What the hey, it's time to face  
Exactly who I am

I can see, yeah  
(Wish I couldn't see at all)  
I can feel  
(Wish I couldn't feel at all)  
Hate to see  
(Wish I couldn't see at all)  
Hate to feel  
(Wish I couldn't feel at all)

I can see, yeah  
(Wish I couldn't see at all)  
I can feel  
(Wish I couldn't feel at all)  
Hate to see  
(Wish I couldn't see at all)  
Hate to feel  
(Wish I couldn't feel at all)
