I can't have you blues, no, I got the
I can't have you, I can't have you, blues
I can't have you, I can't have you blues
I can't have you, I can't have you

Nothing's the same, need my fix of you
A crack in the mirror, pictures split in two
Oh no, I can't believe you slipped away
I've been drinking too much 'cause I can't forget your
face

And if I always try to do all the things you want me to
I've been laughing myself down to an early grave
And if I always try to do all the things you want me to
I've been laughing myself down to an early grave

Nothing stays the same in this game
I can't have you, I can't have you, blues
I can't have you, I can't have you

Nothing's the same, need my fix of you
A crack in the mirror, pictures split in two
Oh no, I can't believe you slipped away
I've been drinking too much 'cause I can't forget your
face

And if I always try to do all the things you want me to
I've been laughing myself down to an early grave

Nothing stays the same in this game

I can't have you, I can't have you, blues, no, no
I can't have you, I can't have you, blues
I can't have you, I can't have you, blues, no
I can't have you, I can't have you, blues, yeah, yeah
