Turn around you say
'Scuse the 'tude but I haven't eaten today
And my eyes are turning grey
What's your name?

[CHORUS]

I can't remember...I can't remember

Bring me down you try
Feel the pain and keep it all in till you die
Without eyes you cannot cry
Who's to blame?

[CHORUS]

Remember identity, the visions in my mind from
Screamin' at me
And mama, mama, ooh...my angry brains of infancy

Knocked down but I have enough hate
to breathe, down your throat and steal your energy
You took everyting but my will to be
Now the loss of your god won't make me bleed

I am alive
