

## Alice In Chains "Lesson Learned"

Just another lesson learned  
Wear a scar, a bore repeating  
Take a simple fateful turn  
Opened up to stop the bleeding

Feeling like you never could  
Been the disconnected frying  
Hit the vein and struck a nerve  
Seein' thru a self that's blinding

Nowhere to buy in  
Most of us hidin'  
Others are shinin'

Just another brick ya toss  
Stone the number one deceiver  
Multiply the added cost  
Easy to become a believer

Feeling like you never could  
Been the disconnected frying  
Hit the vein and struck a nerve

Seein' thru a self that's blinding

Nowhere to buy in  
Most of us hidin'  
Others are shinin'

You know when you find it  
In your darkest hour, you strike gold  
A thought clicks, not the be-all end-all [x2]

Just another lesson learned ... yea

[KICK ASS GUITAR SOLO]

You know when you find it  
In your darkest hour, you strike gold  
A thought clicks, not the be-all end-all [x2]

Just another lesson learned ... yea

Just another lesson learned ...
