Just another lesson learned
Wear a scar, a bore repeating
Take a simple fateful turn
Opened up to stop the bleeding

Feeling like you never could
Been the disconnected frying
Hit the vein & struck nerve
Seeing through a self that's blinding

(Nowhere to buy in)
(Most of us hiding)
(Others are shining)

You know when you find it
In your darkest hour, you strike gold
A thought clicks, not the be-all end-all

Just another lesson learned...

Just another brick you toss

Stone the number one deceiver
Multiply the added cost
Easy to become a believer

Feeling like you never could
Been the disconnected frying
Hit the vein & struck a nerve
Seeing through a self that's blinding

(Nowhere to buy in)
(Most of us hiding)
(Others are shining)

You know when you find it
In your darkest hour, you strike gold
A thought clicks, not the be-all end-all

Just another lesson learned...
