Love song, take one

I love you and I'm coming back bitch
I think I should say something
I can't see you, I can't feel you, I can't, I can't

Wash my face, cut out my teeth and tell me to grin
My gums are bleeding
My gums are bleeding

I hate you, I hate you, I hate you
Calling
Don't forget your sheep
First go up for air
Get a fucking haircut
Bring up the fleet
Go fuck yourself
What about
Rae Dong Chung, Rae Dong Chung, Rae Dong Chung,
Rae Dong Chung, Rae Dong Chung

Get something, get, get them, get them
Get the fuckin' midget
Get the midget, get the midget
Get the fuckin' midget
Kiss the fuckin' midget

"Where the deer and antelope play"

Kiss the midget, kiss the midget, kiss the midget, kiss
the midget

"That was perfect you guys, that was great!"
