Began this take at 7:38
Head hit the board 'nough that it aches
Wonder should i be workin' so late
Began this take at 7:38
Head hit the board 'nough that it aches
Wonder should i be workin' so late
Wonder should i be workin' so late
Began this take at 7:38
Head hit the board 'nough that it aches
Wonder should i be workin' so late
Wonder should i be workin' so late

Well, the nothin' song sticks to your mouth
Like peanut butter on the brain
Hey
Nothin' ever stays the same

Went outside to give all a break
Wearing cowhide steak on a skate
Back inside Sam throw away your cake
Went outside to give all a break
Wearing cowhide steak on a skate
Back inside Sam throw away your cake
Back inside Sam throw away your cake
Went outside to give all a break
Wearing cowhide steak on a skate
Back inside Sam throw away your cake
Back inside Sam throw away your cake

Well, the nothin' song sticks to your mouth
Like peanut butter on the brain
Hey
Nothin' ever stays the same
(x2)

Yeah, nothin'
Oh, nothin'
Nothin'
Nothin'

Gotta finish so i can awake
Feed the cat or she spreads all the waste

Snap her neck or trade in for new make
Gotta finish so i can awake
Feed the cat or she spreads all the waste
Snap her neck or trade in for new make
Snap her neck or trade in for new make

Well, the nothin' song sticks to your mouth
Like peanut butter on the brain
Hey
Nothin' ever stays the same
Well, the nothin' song sticks to your mouth
Hey

Nothin'
Nothin'
Hey
Nothin'
Nothin' stays the same
Hey
Nothin' stays the same
Nothin' stays the same
Nothin' stays the same
Nothin' stays the same
