So you got the thing you wanted
Don't let it go
Though it hurts your hand to hold it
Don't let it show
I'm pretty done
Once a favored son
I'm pretty done
Slap me 'round for fun
Finding no pleasant changes
In old enemies
Not a lead a bit part playing
In my story
I'm pretty done
Once a favored son
I'm pretty done
Slap me 'round for fun
I don't care to further amuse you
Never had you how, could I lose you?

Paid in full, I owe no one at all
I'm supposed to smile and ignore it
Better than some
High roads are to fall from
Already hung
I'm pretty done
Once a favored son
I'm pretty done
Slap me 'round for fun
Pushing towards hopeless mission
Curiosity, omission
History colored since the fall
I'm pretty done
I'm pretty done
I'm pretty done
I'm pretty done
