Heartbreaker, feelin' alright  
Body over, mind

It's slower, reduction is addictive too  
Personality overview

I can see what the cost will be  
You know, I don't need you  
And I just can't put you down  
I can see what it all means to me  
Honey, I don't need you  
I just can't put you down

I can't put you down

Hard drinker, feelin' uptight  
Your maker, mine

It's slower, reduction is addictive too  
Personality overview

I can see what the cost will be  
You know, I don't need you  
I just can't put you down  
I can see what it all means to me  
Honey, I don't need you  
I just can't put you down

Put you down, down, down  
Gonna put you down, down  
Put you down, down, down  
Gonna put you down, down

Put you down, down, down  
Gonna put you down, down  
Put you down, down, down  
Gonna put you down, down

Everything you buy is for the jingle  
Every time you lie it's all the same  
Oh, if you need a rhyme to kill the singer  
Shoot me dead before I may be through
