Ahhhh  
Ah yeah  
(x3)

You insult me in my home, you're forgiven this time  
Things go well, your eyes dilate, you shake, and I'm  
high  
Look in my eyes deep and watch the clouds change  
with time  
20 hours won't print my picture milk carton size  
Carton size, carton size, carton size

Call me up congratulations ain't the real why  
There's no precious besides brilliance let's say by day  
9  
Endless corporate ignorance lets me control time  
By the way, by the way

Once again you see an indicolored skin gives you  
away  
So afraid you kindly gurgle out a date for me

Ahhhh  
Ah yeah  
(x3)

Now the body of one soul I adore wants to die  
You have always told me you'd not live past 25  
I say stay long enough to repay all who caused strife

Once again you see an indicolored skin gives you  
away

So afraid you kindly gurgle out a date for me  
(x2)

Ahhhh  
Ah yeah  
Ahhhh

I bear true and an existing witness  
To this barrel of monkeys

A self proclaimed immoral success  
Perfected by each whereof  
Individually deadly and equally so  
And spread about the surrendered troops  
For even thousands of miles will not  
Tear apart their communication or the lack thereof  
Vultures, liars, thieves, each proclaim their innocence  
In no suggestion or rhyme, your weapon is contained in  
The wrecking of the keeping the desired effect  
The breaking of the spirit thwarts the whole being  
Your weapon is guilt  
Your weapon is guilt  
Your weapon is guilt  
Guilt
