One, a-one time, yeah

Am I too contagious
Full of sick desire
Am I that I promise
Burning corpsed pyre

Then some dude came down to touch the mother
Mother touched and dude ain't here no more
Suck your woman down

Am I your reflection
Melting mirror smile
Am I worth the value
Do my love defile

Then some dude came down to touch the mother
Mother touched and dude ain't here no more

Ain't no day the sun don't crack
Then to brand some name across my back so you care
Find someone to tell you

Sunshine
Sweet love my labor
Don't mind
I don't care no more

Memory, set me free, yeah
I don't care no more
Mother please, come for me, yeah

Can you face the question?
Is my soul entire?

Sunshine
Sweet love my labor
Don't mind
I don't care no more

Sunshine
Sweet love my labor

Don't mind
I don't care no more
