Who am I?
Is this me?
Am I wrong?
Or thirteen?

I've gone cold
Hard to deal
Used to stand
Where I kneel

Everybody listen
Voices in my head
Everybody listen
Cause you'll see what mine says

I want more
Than I need
I don't know
What is real

Everybody listen
Voices in my head
Everybody listen
Cause you'll see what mine says

Every time I listen
Voices in my head
Everybody listen
Cause you'll see what mine says

Whispering their names
Faces, uniforms I've worn
Now that it's gone
Always climbing
To fall down again
Holding on to everything
It's not what it seems

I've been told
Dreaming's free
Think I'll go

Back to sleep

Everybody listen
Voices in my head
Everybody listen
Cause you'll see what mine says

Every time I listen
Voices in my head
Everybody listen
Cause you'll see what mine says

Calling out their names
Faces, uniforms I've worn
Now that it's gone
Always climbing
To fall down again
Holding on to everything
It's not what it seems
