Hey, now baby  
Whatcha gonna do when I go?  
Hey, now baby  
Who ya gonna do when I'm gone?

As I watched you from above  
Body glistened while I listened  
To you screaming out his name in love  
Oh, no, no

And hey, now baby  
Whatcha gonna do when I go?

Hey, yeah, they say you love the girl  
While I'm wasted as you taste it  
Wicked pleasures  
Sins of flesh and blood

Woke up drunk in the morning  
And sipping on my cup all day  
Stone cold bitch you're ballin'  
I'll bet you I'm about to stay

Well, you go down to the city  
And you get yourself in line  
'Cause if I don't need you baby  
I'll catch you another time to get this

Hey, now baby  
Whatcha gonna do when I go?  
Hey, now baby  
Who ya gonna do when I'm gone?

Hey, now baby  
Whatcha gonna do when I go?  
Hey, now baby  
Who ya gonna do when I'm gone?

I'm asking whatcha gonna do?
