I close my eyes, I cover my ears, I'm holding my breath
trying not to
Scream and find a way out of this coughness.
I tore my heart out to you, you ripped it apart, now I
don't know what to
Do, give me out of this hopeless.

Chorus: No matter where I go, No matter what I do, I'm
just a pig, fucked
Up and don't have a clue.

I'm all over the place and over at the sane, shall't have
followed my
Heart and that is my worst crime.
That is my worst crime, that is my worst crime

And that's my tough, I shook off the rose,
I'm not that strong and I have never been first,
But I'm always in-between.
I try to behave, I try to fit in
I'm not that brave, I know for sure I can't win
I try not to make you see

Kill me~ I'm a prisoner inside my head, kill me, I'm
already a living dead
Kill me, kill me, kill me

Chorus:
No matter where I go, No matter what I do, I'm just a
pig, fucked up and
Don't have a clue.

I'm all over the place and over at the sane, shall't have
followed my
Heart and that is my worst crime
And that is my worst crime, that is my worst crime
