I was head over feet  
for a fact committed  
you said I would cheat  
and I cracked and I did it

I didn't look  
so I mistook  
the fact, you acts  
were goodhearted

Is this feeling  
an obsession of an evilness  
It's revealing  
it's sweating through  
my eveningdress

I'm in a moonlight of madness  
wrapped up in sadness  
I don't understand it myself  
God, I wish I was somebody else  
I cant deny

You'll have me fooled  
the ? that you wanted me to  
You'll have me fooled  
the ? that you wanted me to

I lost the game that I started  
I'm to blamed that we parted  
get a longer tonight  
i need to love to die

I didn't look  
so I mistook  
the fact, you acts  
were goodhearted

Is this feeling  
an obsession of an evilness  
It's revealing  
it's sweating through

my eveningdress

I'm in a moonlight of madness  
wrapped up in sadness  
I don't understand it myself  
God, I wish I was somebody else  
I cant deny
