"Very Good Advice"

I give myself very good advice,
But I very seldom follow it,
That explains the trouble that I'm always in,
Be patient, is very good advice,
But the waiting makes me curious,
And I'd love the change,
Should something strange begin,
Well I went along my merry way,
And I never stopped to reason,
I should have know there'd be a price to pay,
Someday...someday,
I give myself very good advice,
But I very seldom follow it,
Will I ever learn to do the things I should?
Will I ever learn to do the things I should?
