Cats and rabbits
Would reside in fancy little houses
And be dressed in shoes and hats and trousers
In a world of my own

All the flowers
Would have very extra special powers
They would sit and talk to me for hours
When I'm lonely in a world of my own

There'd be new birds

Lots of nice and friendly howdy-do birds
Everyone would have a dozen bluebirds
Within that world of my own

I could listen to a babbling brook
And hear a song that I could understand
I keep wishing it could be that way
Because my world would be a Wonderland
