Memories of a little girl  
In my perfect world  
Won't cry  
No need to know the reasons why

My faith is so easy  
In my carefree world  
I'd jump into my father's arms  
Trusting that I'd be unharmed

If I cry  
If I fall  
Into your arms tonight  
Will you be there  
And say that you care

If I try  
If I call  
Call out your name tonight  
Will you be there (will you be there)  
Will you say that you care (say that you care)

My eyes so full of light  
So keen to do it right  
Impatient to be grown  
Not yet frightened of being alone

If I cry  
If I fall

Into your arms tonight  
Will you be there  
And say that you care

Wrapped in my daydreams (wrapped in my  
daydreams)  
Searching my history for reason  
I'm all alone  
I've never felt so alone  
Alone

If I cry

If I fall  
Into your arms tonight  
Will you be there  
And say that you care

If I try  
If I call  
Call out your name tonight  
Will you be there (will you be there)  
Will you say that you care (say that you care)

I've never felt so alone  
Alone

My eyes so full of light  
So keen to do it right

(Ahhhhhhh, Ahhhhhhhh)
