I like to watch you  
From above  
It's not an ordinary love  
I like to feel you  
So close to me  
I Bet I'm nearer than you'll ever see

And I'm sitting up against the wall  
Trying to find a way  
I'll play it safe in case I fall  
From yesterday

You're letting me live  
Inside of you  
You're letting me live  
As someone new

I wanted to be  
Forever young  
You and me  
Now I'm forever free  
I wanted to learn  
From our memories  
You're never cold  
Though you're not here to hold

And I'm sitting up against the sky  
Trying to find a way  
Nothing to do but to wonder why  
It's not yesterday

You're letting me live  
Inside of you  
You're letting me live  
As someone new

Believe in me 'cos I believe it

Somewhere there is an angel  
Watching over your life  
Sometimes there is a silence  
Somewhere a face in the light

Know this place is where I am  
Know this face is of me  
Know I'm watching over you  
Do you feel it too?

You're letting me live  
Inside of you  
You're letting me live  
As someone new

You're letting me live (somewhere there is an angel)  
Watching over you're life (inside of you)  
Sometimes there is a silence  
Somewhere a face in the light (you're letting me live)  
Know this place is where I am  
Know this face is of me (inside of you)  
Know I'm watching over you (know I'm watching over  
you)

You're letting me live (somewhere there is an angel)  
Watching over you're life (inside of you)  
Sometimes there is a silence  
Somewhere a face in the light (you're letting me live)  
Know this place is where I am  
Know this face is of me (inside of you)  
Know I'm watching over you (know I'm watching over  
you)
