(echoey)

are you thinking of me as you lie there?
are you ready for my little surprise yeah?
did you really think I'd need my disguise yeah?
to be safe from harm in another's arms
did you think that I was standing above you?
did you think that therefore I did not love you?
let me tell you now so I don't bug you
is that what you came for?

'cos I'm out to begin my new day (new day)
and I'm running free (I'm running free)
in my new way I'm loving me

I'm losing myself with you
I'm losing myself to a fool
I'm losing myself in your mind
'cos you're three colours three colours blind

are you swimming in the sea of dejection?
are you drowning in the depths of reflection?
has the word overprotection
crossed your mind lately?
(hey has it baby)?
will you keep that smile on your face there?
the one that usually makes you look out of place yeah?
if you're happy then you'll see your disgrace yeah
now that you're on you're own

I'm looking towards my new day (new day)
I'm running free (I'm running free)
in my new way
I'm loving me

I'm losing myself with you
I'm losing myself to a fool
I'm losing myself in your mind
'cos you're three colours three colours blind

new day
I'm running free

new way
I'm loving me

losing myself to a fool
I'm losing myself with you
(original lyrics have: oh yeah)
I'm losing myself in your mind
'cos you're three colours blind

losing myself with you
losing myself to a fool
('cos you're three colours blind)
I'm losing myself in your mind
'cos you're three colours blind
(three colours blind)
I'll get it
(three colours blind)
I'll get it
