I know he doesn't

Have much dough

But he will someday

Somehow

He starts his hard work

After school

Let me tell you

He's nobody's fool

[CHORUS]

And he's mine

(I love him, I love him)

(I love him) oh, he's mine

(I love him, I love him)

(I love him) yeah, he's mine

(I love him, I love him)

(I love him) he's so fine

And he's mine, all mine

He doesn't leave any doubt

He goes his own way

And he's stout

He's right to hold

His head up high

I tell you he's

The greatest guy

[Repeat CHORUS 4x to fade]
