I
Never thought I'd see you again
Didn't think my dream would come true
Couldn't sleep at night, I kept hearing your voice

You went away for such a long time
Didn't know why you had to leave
But you're back and I'm gonna make it last
Give me this chance

chorus
Stay this time and I promise I won't let you go
Just hold on
Don't leave me
This is for real

Oh
Stay this time (this time) and I promise I won't let you go
go
Just hold on
Don't leave me
This is for real

*Bridge (instrumental)

You walked away without a goodbye
It was too late to call you back
Searched all over for you again and again

I thought about you every day
Could I find you, that's what I'd say
So I prayed until I'd see you again
Give me this chance

(Chorus)

You're finally here
Won't let you go
Just give me a chance
I know it's for real

(Chorus)
