Referring to an old book
One thousand words, one lie
Lost in self-adulation
Your self-regarded mind

Narrow minded visions
Spread like poison through the world
Posing as the awaited savior
The last supper prepared

Blood-stained prophecy
Blood-stained prophecy

Blood-stained prophecy
(Blood-stained prophecy)
Blood-stained prophecy
(Blood-stained prophecy)
Blood-stained prophecy

A lifeless son's your idol
Your act of grace is death
Centuries of forced conversion
Word of God declined

Your tongues speak about mercy
But your prophecy is pain
Narcissism and divine benediction
Won't save you from ordeal

Blood-stained prophecy
(Blood-stained prophecy)
Blood-stained prophecy
(Blood-stained prophecy)

Blood-stained prophecy
(Blood-stained prophecy)
Blood-stained prophecy
(Blood-stained prophecy)
