[Music: Roderer]

[Lyrics: Krull]

Lying there in a small crib  
Naked and innocent  
Just loosing my virginity  
Only four years old  
A menacing man above me  
He's my own father!

My legs and arms are limp  
Crushed by confusion  
Lascivious eyes stare at me  
I've never seen before  
Musty smell in the air  
Diffusing body odor

Feeling like a pig ravished and abused  
Praying for my god  
The old man with the long white beard

A hurting abdomen, a grieved soul  
Tears are running from my eyes  
I don't know what's going on  
Cries, screams of despair  
Fathers slaps in my face  
"Shut up little cunt"

Feeling like a pig  
Ravished and abused  
Praying for my god  
The old man with the long white beard

[Lead: Roderer]

Satisfaction - father is groaning  
Humiliation - treated like a shitheap  
Observation - my brain is empty  
Anxiety - father, never do it again!  
Atrocity - fear in my eyes  
Inbreeding - my body is diseased  
Shame - mother won't be told

Some human beings are repulsive animals

[Lead: Roderer]

After a while - the pain is over  
Disgusting - full of serous mucus  
Genitals - blood runs from my legs  
An ugly smile - my father leaves the room  
Misery - I'm feeling sick  
Depression - I clasp Teddy in my arms  
Loneliness - nobody who helps  
Some human beings are repulsive animals

First you tried to repress  
Then you established:  
This nightmare will ever be  
Deep in your subconscious
