I'm watching the moon set
Walking through the woods
Tasting depth of winter
Morbidly and doom

I saw one million faces
I saw one million deaths
Colors are in dark gray
Veil of emptiness

Stalking in a nightmare
I was lost long ago
I gave all my love
Spirit's feeling low

Sorrow, I'm dead tired, tired of life
Eternal dusk, my dungeon and desire
Shadows, dark face in autumnal tints
Covering me, lost in immortality

Crossing the old bridge
Like one thousand times before
Sadness, autumnal equinox
Sunbeams nevermore

Soulful, my heart is bleeding, my soul is seeking
For salvation and release
Soulless, no more longing, no more loving
Just the ashes of my thoughts

For ever and a day
(For ever and a day)
Death is the salvation
For ever and a day
(For ever and a day)
Life is the damnation

For ever and a day
Ghosts are hunting me
For ever and a day
Death is the salvation

Stamping underwood down
Plot revenge that kills
Leaving life behind
Sowing death and thrills

I saw one million faces
I saw one millions deaths
Colors are in dark gray
Veil of emptiness

Sorrow, I'm dead tired, tired of life
Eternal dusk my dungeon and desire
Shadows, dark face in autumnal tints
Covering me, lost in immortality

For ever and a day
(For ever and a day)
Death is the salvation
For ever and a day
(For ever and a day)
Life is the damnation

For ever and a day
Ghosts are running free
For ever and a day
Death is the salvation

Death is the salvation
Death is the salvation
Death is the salvation
Death is the salvation
Death

Sorrow in shadows
Soulful but soulless
Throughout time and space
Misanthropic race
Man hunting, echoing pain
Endless night starts again

For ever and a day
(For ever and a day)
Death is the salvation
For ever and a day
(For ever and a day)
Life is the damnation

For ever and a day
Ghosts are hunting me
For ever and a day
Death is the salvation

For ever and a day
(For ever and a day)
Death is the salvation

Death is the salvation
Life is the damnation
Death is the salvation
Life

Death is the salvation
Life is the damnation
Death is the salvation
Life, life
Death above life
Death above life
