Hey, two little twins  
hey, were born to live  
hey, two lives in one lifetime

Haltet meine Hände, Schwestern,  
haltet meinen Kopf  
Ich fühle mich, als wären's noch  
gestern,  
weil mein Herz so klopft

These sweet Geminian sisters  
will certainly get into my heart  
These two Geminian sisters  
they're living two lives in one

Hey, is it a game?  
hey, a new way of love?  
hey, two souls in one lifetime

Zeigt mir Eure geheimen Spiele  
Zeigt mir Eure Welt  
Ich kann es sehr deutlich sehen  
wie es mir gefällt

These sweet Geminian sisters  
will certainly get into my heart  
These two Geminian sisters  
they're living two lives in one

They're living two lives in one

They're living two lives in one

These sweet Geminian sisters  
will certainly get into my heart  
These two Geminian sisters  
they're living two lives in one
