I'm the God of gods, ruler in the sky
I control gods and man, the Ancient of Days
They call me God of Ocean, I dominate the seas
Earthquakes show my anger without boundaries

Catastrophes
Unseen force
Ancient gods
Almighty powers

Born into
Primal chaos
Fallen from
The black skies

We are the Gods of Nations
The world belongs to us
From the hills into the oceans
We are Gods of Dawn and Dusk

I am the God of Dead, I rule the underworld
I bring eternal wisdom, I show mankind its fate
When I look into the sky, there's no light I see
Only death and misery, twilight of the gods

Endlessly
Eternally
Reign on earth
Our destiny

We were born
Into chaos
Fallen from
The black skies

We are the Gods of Nations
The world belongs to us
From the hills into the oceans
We are Gods of Dawn and Dusk

We are the Gods Of Nations
We are the

(We are the Gods)
We are the Gods of Nations
We are Gods of Dawn and Dusk

We are the Gods of Nations
The world belongs to us
From the hills into the oceans
We are Gods of Dawn and Dusk

We are the Gods of Nations
The world belongs to us
From the hills into the oceans
We are Gods of Dawn and Dusk
