[Originally performed by David Bowie]

Let's dance put on your red shoes and dance the blues
Let's dance to the song they're playin' on the radio

Let's sway while colour lights up your face
Let's sway sway through the crowd to an empty space

If you say run, I'll run with you
If you say hide, we'll hide
Because my love for you
Would break my heart in two
If you should fall
Into my arms
And tremble like a flower

Let's dance for fear your grace should fall
Let's dance for fear tonight is all

Let's sway you could look into my eyes
Let's sway under the moonlight, this serious moonlight
If you say run, I'll run with you
If you say hide, we'll hide
Because my love for you
Would break my heart in two
If you should fall
Into my arms
And tremble like a flower

Let's dance put on your red shoes and dance the blues
Let's dance to the song they're playin' on the radio

Let's sway you could look into my eyes
Let's sway under the moonlight, this serious moonlight
