I touched your graceful body in my darkest fantasies
I told you everything but you never knew how to please

Du, Du gabst mir alles, was mein Herz begehrt
und Du, Du bist die Lust, und Du hast mich nur
gequãfÃfÃ,Ãxlt

I feel your body's skin don't tease me with your eyes
It's like a taste of sin red lips tell only lies

Du, Du gabst mir alles, was mein Herz begehrt
und Du, Du bist die Lust, und Du hast mich nur
gequãfÃfÃ,Ãxlt

It's like a taste of sin, it's like a taste of sin
you're my sinful queen, it's like a taste of sin
Ich sterbe schon, Ich sterbe schon...
It's like a taste of sin

Lying between your legs and you give what I need
One night full of passion and a heart which starts to
bleed
Du, Du gabst mir alles, was mein Herz begehrt
und Du, Du bist die Lust, und Du hast mich nur
gequãfÃfÃ,Ãxlt

It's like a taste of sin, it's like a taste of sin
you're my sinful queen, it's like a taste of sin
Ich sterbe schon, Ich sterbe schon...
It's like a taste of sin

It's like a taste of sin, it's like a taste of sin
you're my taste of sin, it's like a taste of sin
Ich sterbe schon, Ich sterbe schon...
It's like a taste of sin
