(RÃfÂ¶derer, Scharf / Krull)  
You, my allies concentrate !  
Power of nature- storm and typhoon  
Wind and cyclone, tornado, storm tide  
Surprise attack !  
Triumph at dawn  
When the world is still asleep  
Triumph at dawn  
Glorious victory  
Glaring lightning strikes, thunder rolls  
The deluge is raping the land  
Ice and fire bring up the rear  
United impact  
Rising force  
Irresistibly  
Bowels of the earth break out  
Erthquakes crush the ground  
The whole land is bleeding  
In fiery heat  
We march to end years of depotism  
Our banners cares dark colours in the sky  
Never shall be the empire of sadness again  
Conquer, dehumanize the only command  
Triumph at dawn  
Fall of tyranny  
Triumph at dawn  
Glorious victory  
Morbid intelligence shall banned forever  
Overthrown by superior strenght  
Seizure of power frees garden mould  
Spirit over power, force over mind  
(Leads: RÃfÂ¶derer)
