I remember the night
Sitting in the dark
The battle was won
But lost my love

I left the light side
Chosen the dark
Sworn another solemn
At fullmoon bark

Walking through the centuries
A pathless path
Symphonic bloodlust
On this funeral march

My innerself
Is drifting in a red sea
Bizarre and sweet
b.l.u.t.!!!

b.l.u.t. - you are my beauty

Bloodlust, undead trance
Bloodlust, undead trance

"stapn de obscuritate,
Fantoma nocturna
Dragostea nseamna viata vesnica,
Care o obtinem numai prin moarte"

Awaiting the next vein
Haemophilia
Possessed by essential desire
Damned and addicted to survive
This form of life

Im searching for her
The love I lost
Im searching for her
Taking away the frost

But too many years are gone
My mind like ice
b.l.u.t..
You are my beauty

b.l.u.t. - you are my beauty

Bloodlust, undead trance
Bloodlust, undead trance
