Wild boys, wild boys
Wild boys, wild boys
Wild, wild, boys

Wild boys are calling on their way back from the fire
In August moon's surrender to a dust cloud on the rise
Wild boys falling far from glory
Reckless and so hungered on the razor's edge you trail
Because there's murder by the roadside in the sore
afraid new world

They tried to break us
Looks like they'll try again

Wild boys never lose it
Wild boys never chose this way
Wild boys, never close your eyes
Wild boys always shine

You got sirens for a welcome there's bloodstain for
your pain
And your telephone been ringing while you're dancing in
the rain
Wild boys wonder where is glory, where is all you
angels?
Now the figureheads have fell
And lovers war with arrows over secrets they could tell

They tried to take you
Looks like they'll try again

Wild boys never lose it
Wild boys never chose this way
Wild boys, never close your eyes
Wild boys always shine

Wild boys, wild boys, wild boys
Wild boys, wild boys, wild boys

Wild boys never lose it
Wild boys never chose this way
Wild boys, never close your eyes

Wild boys always

Wild boys never lose it
Wild boys never chose this way
Wild boys, never close your eyes
Wild boys always

Wild boys never lose it
Wild boys never chose this way
Wild boys, never close your eyes
Wild boys always

Wild boys, wild boys
Wild boys, wild boys
