We have something I could never do without
What a brilliant stroke of luck
Heaven's angels came like sirens in the night
Madness hit me like a truck

One look, one touch
And the skies just opened up
Ain't no ordinary love
Lightening, thunder
And the fateful arrow struck
Ain't no ordinary love
Ooooooh

Happiness has got me jumping up for joy
Sweet bliss, I'm overcome
Didn't notice I've been walking on thin air
Somehow closer to the sun

One look, one touch
And the skies just opened up

Ain't no ordinary love
Lightening, thunder
And the fateful arrow struck
Ain't no ordinary love
Ooooooh

Such a sweet, beautiful thing
A complete awakening
Inspiration everlasting

Stand back, hold on
They dont make em quite like us
Ain't no ordinary love
Lightening, thunder
And the skies just opened up
Ain't no ordinary love
One look, one touch
And the fateful arrow stuck
Ain't no ordinary love

It's extraordinary

Ain't no ordinary love
Ain't no ordinary love
