Can't Eat
Can't Sleep
All I do is think about you

Hold on whats this feeling?
That's my heart your stealing
That's okay my baby I don't want it back
What's this chemistry? Such intensity
Good emotions getting through

It's your sweet love I'm feeling it
Can't get enough go figure it
Madly, Deeply, baby I'm falling
Head over heels
I'm living it heart and soul
Your giving it, I'm thinking that
I'm diggin it

Come on keep it comin'
think your on to something
So strong so right It's got to be real
Your breaking down the walls and fences

Theres a powerful sense
Good emotions getting through...

It's your sweet love I'm feeling it
Can't get enough go figure it
Madly, Deeply, baby I'm falling
Head over heels
I'm living it heart and soul
Your giving it, I'm thinking that
I'm diggin it

(interlude)

ooooh yeah
It's your sweet love I'm feeling it
Can't get enough go figure it
Madly, Deeply, baby I'm falling
Head over heels
I'm living it heart and soul

Your giving it, I'm thinking that
I'm diggin it

aww I'm diggin it
